EXPERIENCE

MAY 2020 to PRESENT Senior UX Designer CISCO WEBEX

San Jose, CA

Lead designer for Cisco Webex's Partner Hub – an admin portal for Cisco partners to manage Webex trials & subscriptions. Also working on other keγ initiatives to elevate the admin experience.

JAN 2018 to MAY 2020 Senior UX Designer CISCO SYSTEMS

San Jose, CA

Lead designer for CloudCenter's Cost Optimizer – a data & analytics based tool to help technical users and IT admins spend less on their cloud costs.

Part of the design & development team that built the product from ground up. Additionally, designed data-heavy charts and visualizations for Particle – an internal design system.

OCT 2016 to JAN 2018 Product Designer

INKLING

San Francisco, CA

Led the mobile app design of a new product that helps retail customers optimize top-down communication from headquarters, and improves the productivity of field workers. Part of the core product team from conception to MVP & beyond.

JUN 2013 to SEP 2015 User Experience Designer

SAP LABS

Palo Alto, CA

As part of the Global Design & Innovation team, I worked on key projects and escalations including enterprise & consumer-facing applications built on Fiori, SAP's robust design language, and also contributed to Fiori's evolution of UX patterns & guidelines.
